

Book Care Tips

from Bob

- **Take us home in your backpack or bag.** We don't want to be left on the bus or on the playground.
- **Keep us away from pets or younger kids.** Crayons! Markers! Scissors! Ouch!
- **Food and drinks? No thanks!**
- **Keep us in a safe spot** so we don't get lost.
- **READ US!** That's how we feel your love. Be sure to have clean hands, turn our pages gently, and use a bookmark—no dog-ears, please.
