

THE CAMPING TRIP GAME

In the book *Katie Woo and Friends*, Katie takes a camping trip. When you go camping, you have to pack everything you'll need. Here is a fun game for two or more players that makes you think about what to pack for a camping trip.

WHAT YOU DO

1. The first player says, "I'm going on a camping trip, and I am going to bring..." Then the player lists something that starts with the letter A, like apples.
2. The next player takes his or her turn now. They say, "I'm going on a camping trip, and I'm going to bring..." Player two lists something with the letter B.
3. The game continues with each player taking the next letter in the alphabet. Play until you reach Z!

TO MAKE IT A LITTLE HARDER, TRY:

- Using two or more words that start with your letter. For example if your letter is D, you could bring a dozen doughnuts.
- Make it into a memory game. Each player has to repeat what the other players have said, going through the alphabet. Try to remember the whole list, right down to the zany zookeeper.
