

## Hear My Island Sing

*A song by Paloma Santos*

Hear my island sing  
Le lo lai, le lo lai, lo lai  
The coquí rhythm rings  
In the music of the night  
Hear my island sing  
Le lo lai, le lo lai, lo lai  
The song of birds on wing  
As they take flight  
Voices of the isle  
Share their song for miles  
When they sing as one  
The war we have won  
Hear my island sing  
Le lo lai, le lo lai, lo lai  
Hear my island sing  
Le lo lai, le lo lai
